Substantial demand push Bullion Refiners to their limits

KWN interview April 19, 2013

Greyerz: "I will tell you some very important reasons why investors should not worry about the recent turbulence in the gold market. First of all it was a smash in paper gold. If you look at our company, as just one example, we did not have one single seller in the last few weeks.

So during this takedown in gold and silver there wasn't one single seller, only buyers...
