

Chris Powell – GATA – There are NO free markets anymore

written by Edward Maas | December 30, 2014

THE MATTERHORN INTERVIEW Xtra – Dec 2014: Chris Powell of GATA

“There are NO free markets anymore, just interventions”

VIDEO INTERVIEW: On Behalf of Matterhorn Asset Management, Lars Schall recently met with Chris Powell, the Secretary/Treasurer of GATA, at the Bayerischer Hof Hotel in Munich.

The Gold Anti-Trust Action (GATA) committee seeks to expose institutional actions that undermine the freedom of gold as real money.

In this late 2014 short 20 minute video interview Schall and Powell discuss

- daily Central Bank activity in the gold market and the importance for central banks to control the gold space in order to control all major financial asset classes
- gold suppression
- the influence of Perception versus Reality
- and more

Chris Powell – Gata – There are NO free markets anymore, just interventions
