

David Morgan – The Matterhorn Interview Febr. 2014

written by Edward Maas | March 3, 2014

“The Matterhorn Interview – Febr./March 2014: David Morgan”

Financial journalist Lars Schall met up with David Morgan in February. Morgan is widely regarded as one of the best silver market analysts. In this video interview he reflects on the rigging of the silver price and tells why he's still optimistic about silver in the long run.

“Silver – The investment of this decade?”

About David Morgan:

*An economist with over 20 years experience in the precious metals industry. He is a widely recognized analyst and consults for hedge funds, high net worth investors, mining companies, depositories and bullion dealers. He publishes regularly in Barron's, The Wall Street Journal, The Herald Tribune and other publications, foremost on silver and macro-economics. He gained great fame as editor-in-chief at the membership service “The Morgan Report” which can be accessed at Silver-Investor.com. David Morgan is the author of **“Get the Skinny On Silver Investing”** (Morgan James Publishing, 2009) and a featured speaker at investment conferences in North America, Europe and Asia.*
