## THE MATTERHORN INTERVIEW – 8 August 2016: John Embry – Egon von Greyerz

### “Can Silver reach \$1,000?”

In this 23-minute video, recorded in London a few days ago, John and Egon discuss an eclectic range of extremely important issues relevant to preserving capital, including:

- Coming hyperinflation
- Current situation – “This is insanity”
- “If you don’t own gold, you won’t get it”
- “Financial assets grotesquely overvalued”
- Money managers don’t understand gold
- Gold, silver – “Single best buying opportunity in history”
- Silver and gold price targets
- Valuation of financial assets
- Risk of civil unrest in China
- The end game
- Timing of coming downturn or collapse – “Very close now”
