

# EGON VON GREYERZ ON COMMODITY TV: STRONG AUTUMN RALLY IN SILVER AND GOLD

written by Egon von Greyerz | September 16, 2019

In this interview Egon von Greyerz, discusses with Jochen Staiger of Commodity TV the massive energy accumulated in gold & silver over the last six years. Once this force unravels, it will lead to the next explosive move higher.

On how to time the move, Egon commented: Based on the broken Maginot line, at \$1,350, a huge rally will unfold this autumn, and simultaneously a major stock market fall.

Also:

- How the governments around the world propel the gold rally by destroying paper currencies
- Central Banks: ECB, FED, BOJ, PBOC, all **promised to debase** their currencies by printing unlimited amounts of money in order to support their rotten economies
- Mega bubbles will implode with an **unprecedented endgame of epic proportions**
- Ultimately governments will be the buyers of last resort of **worthless bonds**, which will lead to a **worldwide asset implosion**
- Nightmares unfolding: Massive **collapse of asset and debt values**, world's stock markets will enter secular and long lasting bear market
- Pensioners will **suffer**
- 1980 Inflation adjusted gold price should **be at \$18'000**
- Silver is massively undervalued, **could reach \$666**
- **The world awaiting us will be very difficult , a lot of people will suffer**
