

# **Egon von Greyerz on the Keiser Report – 15 Dec 2015**

written by Egon von Greyerz | December 16, 2015

## **The Keiser Report, Dec 15, 2015 with Egon von Greyerz**

In this week's Keiser Report, Max Keiser and Egon have a wide ranging discussion covering gold, the Fed rate decision, the false rumours about Swiss vaults reporting to governments, the Central Bankers wearing different hats at BIS board meetings in Basel and in their home country.

### **They also discuss:**

- ECB's negative rate
- Bail-ins
- The unsafe banking system
- Swiss National Bank policy
