USA Watchdog's Greg Hunter interviews Egon von Greyerz on latest macro-economic developments

Dec 6 – 2014 (22 minutes)

In this video more about:

- The aftermath of the Swiss Gold Initiative
- Pressure in the Eurozone
- The continued weakness of the Japanese yen leading the race down again.

Egon von Greyerz: “The whole of the elite were against us. Now, we thought the people, the Swiss people, would be on our side because the Swiss people understand the importance of gold. They were clearly influenced by the massive campaign of the government and of the central bank...”

Note: Unfortunately audio and image may show a slight timing mismatch
