**Fitzpatrick and Greyerz Gold chart and commentary KWN interview
Febr. 17, 2013**

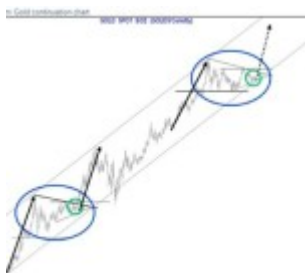

Listen to what Egon says about 10's of trillions disappearing from wealth worldwide.

von Greyerz: *"Eric, I see bubbles everywhere and they will start bursting in 2013"*

Top Citi analyst Tom Fitzpatrick: *"We believe we have just reached the ideal pivot for gold to form a base and move higher as it did after the 16 month consolidation in 2006-2007"*.
