

GOLD IS NOT GOING UP – PAPER MONEY IS GOING DOWN

written by Egon von Greyerz | December 7, 2009

A newsletter “GOLD IS NOT GOING UP – PAPER MONEY IS GOING DOWN” by Egon von Greyerz has just been posted on the Matterhorn Asset Management website.

The Newsletter discusses the illusion of gold going up and the destiny of the dollar and why it will reach its intrinsic value of zero. It also examines why money printing will accelerate rapidly in the next 12-24 months.
