

GOLD versus PAPER MONEY

written by Egon von Greyerz | October 4, 2009

An interview by Lars Schall with Egon von Greyerz has just been published on MMNews on the subject "Gold vs Paper Money".

The interview covers the role of gold in a likely hyperinflationary depression. Also discussed is the end of the US empire and the role of GATA (Gold Anti-Trust Action Committee). Egon von Greyerz states that gold manipulation will soon fail and that the only real gold market will be the physical market.
