

# **Governments will hit the Wealthy Big Time**

written by Edward Maas | July 27, 2013

**The three dangers that will affect all of us;**

- 1. Governments running massive debt,**
- 2. Governments realizing they can never repay their debt, and then**
- 3. these Governments printing money to buy all of their own debt.**

**Egon von Greyerz Audio on KWN – July27, 2013**

**Only Hard Asset protection outside the Monopolistic Ponzi system will prove to be a safe haven. Guaranteed!**
