

# Greyerz – The Gold Train Is Picking Up A Head Of Steam

written by Edward Maas | November 6, 2012

King World News : Nov 6, 2012

With gold, silver, and the entire commodity complex on fire today, Egon von Greyerz told King World News, "...the physical buyers are continuing their aggressive purchases." Here is what Greyerz had this to say: "Eric, this is just the action that I've been predicting for a while. I expected the pressure to last until the election. It's clear that November will be a strong month. This is the start of the big move. This is the start of the move that will last until at least next summer before a major correction."
