THE MATTERHORN INTERVIEW 2014 SPECIAL

Presenting James G. Rickards; economist, lawyer. entrepreneur.

Podcast: “The Fed Wants Gold To Rise Orderly”

In this January 2014 Matterhorn Interview , Jim Rickards talks to German investigative journalist Last Schall. Jim is the author of bestseller Currency Wars and soon to be released sequel The Death of Money.

The brilliant economist, lawyer and entrepreneur Jim Rickards is again in very good form in this podcast as he discusses the failure of the Fed, as well as the Fed’s suppression of gold. He explains why gold must rise to at least \$7,000 – \$10,000. Rickards also discusses China’s gold purchases and that the people with the most gold will have the most to say in regard to a new monetary system.
