

John Butler – We live in exceptional, interesting times

written by Edward Maas | September 1, 2014

“The Matterhorn London Interviews – Aug 2014: John Butler”

“We live in exceptional, interesting times”

Video interview:

In this 3rd of a series of London interviews that Lars Schall conducted for Matterhorn Asset Management this summer, Lars sits down with John Butler, CEO of Amphora Capital, and they talk about 3 of this year’s highlights in the world of international finance: 1 – the Launch of the BRICS Development Bank, 2- the Sino-Russia energy deal and 3- the Ukraine crisis. (19 minutes – intro 45 sec)

John Butler, who studied economics, history, philosophy and international politics, has worked for over 15 years as an interest rate, currency and commodity strategist at major investment banks in North America and Europe. He was Managing Director and Head of the Index Strategies Group at Deutsche Bank in London, and Managing Director and Head of European Interest Rate Strategy at Lehman Brothers in London. He’s now the Chief Investment Officer of Amphora Capital, an independent investment and advisory firm in the City of London. In 2012 he published the book “The Golden Revolution: How to Prepare for the Coming Global Gold Standard,” published by John Wiley and Sons.
