

# KWN – EvG – Gold could be \$2,000 by end March

written by GoldSwitzerland | February 27, 2012

In a short interview with Eric King of KWN last Friday, Egon von Greyerz says that in the last eighteen months world money supply has gone up by \$10 trillion and that the Greek package is not a solution.

---

Today Egon von Greyerz told King World News that we will see some major fireworks in both the gold and silver markets by the end of March. Von Greyerz also discussed the extraordinary increase in world money supply. Egon von Greyerz is founder and managing partner at Matterhorn Asset Management out of Switzerland. Here is what von Greyerz had to say about what is happening: "We spoke last week and I said gold would begin a strong move to the upside and that's exactly what we've seen. I also mentioned we should see this strong move in gold continue for at least a month without any significant correction. We are about \$60 higher this week and that was as expected."....
