

# Super Bubbles – Time running out

written by Edward Maas | March 17, 2015

## KWN weekly – March 16, 2015

**Greyerz:** “Coming back to the three super-bubbles in the U.S. the dollar, stock market and bonds – I would expect two, if not three, to start a major and sustained fall this year. This fall will be the beginning of a long and very hard collapse of the world economy. So, Eric, I see a very difficult time for the world starting in 2015...”
