

The 2011 Agora Financial Investment Symposium

written by Edward Maas | May 24, 2011

Matterhorn Asset Management will participate in the 2011 AGORA Financial Investment symposium in Vancouver, July 26 to 29.

The Theme of this exciting 4 day event, the largest of its kind in our industry, is

'FIGHT OR FLIGHT, YOUR CAPITAL AT RISK'

Our managing partner Egon von Greyerz is one of the 27 main speakers discussing the subject of the 'Coming Hyperinflationary Depression'. In August we hope to share with you some of the most interesting experiences at this symposium where a host of well known names will voice their analyses that, experience shows, should not be taken for granted.
