

# THE PRICE OF GOLD IS SETTLED IN A CASINO

written by Egon von Greyerz | December 12, 2018

## **Greg Hunter interviews Egon von Greyerz on USA Watchdog**

In this interview Egon covers a number of subjects which will have significant impact on the world economy including:

- Europe a basket case – Brussels elite is petrified Brexit will cause contagion
- Italy could be next to fall or Spain or Greece or ....
- Macron and France could be the next trouble spot
- Gold will break free from LBMA Casino leading to much higher gold price
- Stocks will implode 95% against Gold
- 100 years of excesses will unravel
