

# The Real Reason Gold Caught Fire on 22 July 2013

written by Edward Maas | July 22, 2013

## **Gold On Fire?**

Egon von Greyerz on KWN

On Sunday it was incorrectly reported that the JP Morgan Gold vault on Broad Street had caught fire. Let me categorically state that even the world's best pyromaniac would most likely fail burning down a Gold vault. And let me explain why it is virtually impossible...
