

The Swiss National Bank – One Giant Hedge Fund

written by Egon von Greyerz | May 10, 2015

King World News weekly – 9 May, 2015

Egon von Greyerz “Eric, I’m looking at the bond markets, worldwide. What we’ve seen now both in the U.S. and in Germany is that rates have increased pretty fast in the last few weeks.....”

In this interview:

- Trillions at risk
- Derivatives blowup
- War on cash
- What is the SNB (Swiss National Bank) thinking?
- Swiss gold refiners
