

What's Next For Gold As Governments Become More Desperate

written by Edward Maas | November 10, 2012

King World News – Nov 10, 2012

With gold and silver moving higher this week as stocks were trounced, today, Egon von Greyerz lets King World News readers know what to expect for the rest of this year as well as for 2013. Here is what Greyerz had this to say: “We are entering one of the most worrying times in history, maybe even for centuries or even for a millennia. I think we are going to see a turn in the world economic situation that is going to be long and extremely difficult.”
