

Will Swiss Gold Initiative transform the Gold Market?

written by Edward Maas | October 13, 2014

KWN weekly – October 11, 2014

Podcast – Egon von Greyerz: “Nigel Farage (MEP and leader of UKIP) was recently in Switzerland to speak about the EU. His view is that the UK and all other EU members should exit the EU since it is a failed union. At the same meeting the Swiss Gold Initiative was discussed. Farage is a proponent of sound money and gold. The Gold Initiative referendum on 30 November could be a game changer for the gold market.....”
